MOMENTUM VOLLEYBALL CLUB

2026–2027 Boys Club Season

General Club Season Information for Parents

Welcome to Momentum Volleyball Club

Momentum Volleyball Club (MVC) is a boys-only club volleyball organization based in the West Valley, proudly competing in the USAV Arizona Region junior program along with AAU and JVA tournaments this season. This article is your one-stop guide to how our open house/evaluation nights, Tryouts, and club season works. We know club volleyball can feel confusing, especially if this is your family's first season, so we've broken everything down step by step.

Not every club runs things the same way, so please read through this page carefully even if your player has done club volleyball before. Some details (age divisions, USAV membership rules, and regional tournament structure) are the same across all Arizona clubs, but our schedule, team names, and process are specific to Momentum.

What Is Club Season? A Quick Overview

Club volleyball is a sport season that runs outside of the high school season, typically from November through the following spring, with tryouts and preparation happening in August. Players train with a dedicated team, practicing twice a week, and compete in weekend tournaments against clubs from around Arizona and, depending on the team, around the country.

- **Preseason (August):** Open gyms, club information nights, open house/evaluation nights, and tryouts.
- **Team formation (August 15th, 2026):** Rosters are finalized and teams begin regular practice.
- **Regional season (September – mid-December):** All teams play the AZ Region Saturday tournament schedule, concluding with Region Finals in mid-December.
- **Nationals Teams/Semi-Travel Teams (August – July, break Feb – April):** Nationals-level teams (1s & 2s) continue with either USAV, JVA, or AAU travel tournaments beyond the regional schedule, building toward Nationals competition each summer.
- **Postseason:** Region Finals (mid-December) for all teams, and National Championships (June/July) for Nationals teams.

For the 2026–2027 season, Momentum is projecting 10–12 boys teams across the 13U–18U age divisions.

Understanding MVC's Team Levels

This season, Momentum is renaming and clarifying our team levels so parents know exactly what kind of commitment (schedule, travel, and cost) each level involves. Teams fall into two big-picture categories: Nationals Teams and Region Only Teams. Every age group (13U–18U) may offer some or all of these levels depending on the number of players and the results of tryouts.

Team Level	Number	Category	Travel Commitment
MVC Elite	1s	Nationals	Full Travel
MVC Premier	2s	Nationals	Semi-Travel
MVC Select	3s	Region	Limited to No Travel

Every player, regardless of team level, is a full contracted member of Momentum Volleyball Club. The level simply reflects the tournament schedule, travel expectations, and cost associated with that team.

Nationals Teams (1s & 2s)

- Compete at the highest level, August through July, with a break from February through April.
- Compete in USAV, JVA, and/or AAU tournaments throughout the season.
- Many Nationals-level teams attend JVA Nationals and/or the USAV National Championships over the summer.
- MVC's 1s and 2s Nationals teams have been highly competitive in every age group over the last several years, which is why most 2s teams are also considered Nationals teams.
- Multiple travel tournaments are built into the regular season to help prepare athletes for Nationals in July, create exposure to college recruiters, and test them against high-quality competition.
- Teams have the opportunity to earn a bid at one of these tournaments, allowing them to compete in a higher division at the National Championships in June/July 2027.
- Full commitment is required, and all playing time is earned. Any player who makes a Nationals team roster is required to participate through the end of that team's final Nationals tournament day.

Regional Teams (3s)

- Compete at a high level within the state of Arizona, including all region tournaments and other local tournaments.
- No travel is expected, but teams may vote to add an optional tournament (for example, a trip to Las Vegas) at an additional fee.
- Designed for players who may not be able to commit to the full travel schedule, the associated financial requirements, and/or a summer Nationals season.
- Primary focus is competing in a strong, competitive environment while continuing to build skills and development.
- All playing time is earned, and every player is expected to play in each tournament.

Age Groups: Which Division Does My Son Play In?

Momentum forms teams in the 12/13U, 14U, 15U, 16U, 17U, and 18U age divisions, per USA Volleyball (USAV) age definition rules for the 2026–2027 season. Visit the region website to use the age calculator:

Age Definitions

Before you register, check the official age chart

- View or download the official USAV 2026-2027 Age Definition Chart (link to be added on the live site) — use it to confirm your son's exact division before signing up for anything.
- Players may try out for an older age group ("play up") but cannot play down into a younger division.

Official age chart: USAV 2026-2027 Age Definition Chart (PDF)

2026–2027 Team Projections

Based on registration interest and returning players, Momentum is projecting 11–13 boys teams this season across the 13U–18U age groups, with a mix of Elite, Premier, and Select level teams depending on age group depth. Final team counts, rosters, and levels will be confirmed after tryouts.

The Path to Tryouts: Recommended Steps for Parents

Here is the order we recommend families follow leading up to tryout day. Each step builds on the last, so your player arrives at tryouts prepared, evaluated, and confident.

1. Attend an Open House / Evaluation Nights — It is recommended that your player attend all evaluation nights for their age group. Players play for 2 hours. Parents learn about membership, paperwork, schedules, travel, and how tryouts work.
2. Register for Tryouts online with Momentum. — Required for every player, no exceptions. You'll need your USAV membership number to complete this step. Returning Club Players can click this link and register for tryouts now! https://momentum-volleyball.sportngin.com/register/form/907166392. **New Club Players will need to proceed to obtaining a USAV Player Membership, prior to registering for tryouts with Momentum.**
3. Attend Tryout Day on Saturday, August 15, 2026 at Haven Church Gym.

What Is a Club Information Night?

Club Information Nights are parent-focused meetings held during Open Gym time. This is where we walk parents of new and returning players through everything they need to know about the season: membership requirements, paperwork, schedules, travel expectations, how tryouts work, and a chance to meet our coaches and leadership. Come with your questions, we want you to start the season informed and confident. Please register for these meetings here: MVC Club Information Night Meeting Registration

Date	Time	Who Should Attend
Monday, 8/10	6:00 – 7:00 PM	14U, 15s & 16s parents
Tuesday, 8/11	6:00 – 7:00 PM	17U & 18U parents, plus any 14U/15U/16U parents who missed Monday

Location: Haven Gym, 5902 W Cactus Rd, Glendale, AZ 85304. These meetings are free and open to all parents interested in the 2026–2027 club season.

What Is an Open House / Evaluation Night?

Open House / Evaluation Nights are the final and most important opportunity before tryouts to compete, be evaluated by coaches, and get your questions answered. We recommend attending every session offered for your player's age group. Coaches from all team levels (Elite, Premier, and Select) will be in attendance running pre-tryout evaluations, so this is your player's chance to be seen before the official tryout day. Parents are welcome to stay after each session to meet coaches and ask questions.

Important: USAV Sanctioned Event

- Open House / Evaluation Nights are USAV-sanctioned events. Every player MUST have an active USAV membership before attending.
- These sessions are free and open to players from all clubs and schools.

August 2026 Open House / Evaluation Night Schedule

Date	Age Groups	Time
Monday, 8/10	12/13s, 14s & 15s	5:00 – 7:00 PM
Monday, 8/10	16s	7:00 – 9:00 PM
Tuesday, 8/11	17s & 18s	6:00 – 8:00 PM
Wednesday, 8/12	12/13s, 14s & 15s	5:00 – 7:00 PM
Wednesday, 8/12	16s	7:00 – 9:00 PM
Thursday, 8/13	17s & 18s	6:00 – 8:00 PM

We are planning on adding a **Friday Night Evaluation Night for 15s-18s 8/14. Visit Momentumvb.com for updated information. We will also post on our Instagram @momentumAZboys when time and location are confirmed.*

Location for all sessions Monday-Thursday: Haven Gym, 5902 W Cactus Rd, Glendale, AZ 85304. Free: Open to all players from all clubs and schools.

Membership & Paperwork Requirements

Every player must have a USAV membership number before attending Open House/Evaluation Nights (USAV-sanctioned events) and before registering for Tryout Day. How you get there depends on whether your player is returning or brand new to club volleyball.

USAV Membership — Returning Players

If your son played club with Momentum last Fall season (Or another club team in Arizona), Developmental season, or Summer Nationals 2026, he already has a valid USAV membership.

- Last season's membership remains valid through the end of August 2026 — good for Open House/Evaluation Nights and Tryout Day on August 15, 2026.
- You just need to locate the players membership number: log into your SportsEngine parental household account and look under your player's current membership. Visit the region website for directions. Join The Region
- New 2026–2027 full-season memberships are not available until September 2026. Momentum will email instructions on how to purchase those once they open.

USAV Membership — Brand-New Players

If your son has never played club volleyball before, complete these steps before Open House or Tryouts:

1. Set up a SportsEngine parental household account (see the account setup guide linked below).
2. Go to the AZ Region USAV "Join the Region" page (also link below) and choose the correct membership option — note that memberships are purchased on the AZ Region website itself, not inside SportsEngine directly, but will show up in your SportsEngine account once purchased.
3. Select the 2025 Summer Membership for your player's age — "17 and Under Summer Membership" or "18s Summer Membership." These are lower-cost memberships used for Open Houses, Tryouts, and practices during August. These are valid only until the end of August.
4. Double-check the player's information — especially birthday — before completing payment. Tip from AZ Region: the purchase process works best on a computer using Chrome; it does not work well on a Mac computer or an iPhone.

- A Summer Membership is only valid May 1 through August 31. If your player makes a Momentum roster, a full 2026–2027 junior membership will need to be purchased to continue playing beyond August 31. *New 2026–2027 full-season memberships are not available until September 2026. Momentum will email instructions on how to purchase those once they open.*

5. Save a copy of your receipt and write down the USAV membership number — confirm it's listed under the player's name.
6. Log back into SportsEngine and select the household membership you just purchased. It will show a yellow "Ineligible" status — expand it, sign the required acknowledgements, and upload a photo of the player's birth certificate (required the first time a player ever registers for club).
7. Players who are 18, or turning 18 during the season, must also complete a SafeSport training course before their membership status turns green ("Eligible").
8. You only need the membership purchased and a membership number in hand to register for tryouts — you do not need to wait for "Eligible" status to register.

Tryout Registration

Once you have your USAV membership number in hand, register your player for Tryout Day here:

Register for Tryouts — SportsEngine

The registration form will have you log into SportsEngine and should pre-fill much of your player's information. Your USAV membership number is a required field on this form, so have it ready. Complete the form, and you're all set — see our companion Tryout Day Guide for what to bring and expect. A $20 tryout fee (non-refundable; cash, check, or Zelle) is due on Tryout Day.

- **Returning Players (Fall, Developmental, or Summer Nationals season with Momentum):** Only need to complete Tryout Registration above — Open Gym and Open House attendance is optional for you.
- **Full Paperwork Packet:** Additional registration paperwork (waivers, code of conduct, etc.) is completed after a player accepts a roster spot — details in our companion Tryout Day guide.

Practice Nights & Locations for the Season

Momentum keeps practice schedules consistent all season so families can plan around work, school, and other commitments. Every team practices twice a week for two hours per session, either Monday/Wednesday or Tuesday/Thursday, depending on the team. Once your player's practice night and time are assigned, they will stay the same for the entire season.

Haven Church Gym

5902 W Cactus Rd, Glendale, AZ 85304

- Home to 8 of our teams — generally our oldest and top-level teams — using the gym up to 4 nights a week (Monday/Wednesday and Tuesday/Thursday).
- Practice time slots: 5:00–7:00 PM, 6:00–8:00 PM, or 7:00–9:00 PM, depending on the team.

Desert Sky Middle School

5130 W Grovers Ave, Glendale, AZ 85308

- All Desert Sky teams practice Monday/Wednesday or Tuesday/Thursday, 6:00–8:00 PM. On occasion, if the school has a scheduling conflict, a Desert Sky team may need to practice at Haven Church Gym instead for that night.

Tournaments & Travel: What to Expect This Season

Momentum teams compete across three organizations this season: USAV (USA Volleyball, through the Arizona Region), AAU (Amateur Athletic Union), and JVA (Junior Volleyball Association). How much of each, and how much travel is involved, depends on your player's team level.

What Is a "Region Tournament"? (All Teams)

Every Momentum team (Nationals and Regional alike) plays in the USAV Arizona Region tournament series. These are local, one-day events held on Saturdays at gyms around the Valley. Here's what to expect:

- Locations vary around the Valley and location/scheduling details are usually not determined until the Monday or Tuesday before the tournament.
- Tournaments typically start around 8–9 AM and wrap up around 4–5 PM.
- Teams usually play 3–4 matches throughout the day, against other AZ Club teams.
- Teams move up or down divisions throughout the season based on AZ Region rankings.
- The Region season concludes with Region Finals in early December, which determines final regional standings.

2026–2027 Boys Fall Region Tournament Schedule

Event	Date
Boys Region #1	Saturday, September 19, 2026
Boys Region #2	Saturday, September 26, 2026
Boys Region #3	Saturday, October 10, 2026
Boys Region #4	Saturday, October 24, 2026
Boys Region #5	Saturday, November 14, 2026
Boys Region Finals	Saturday, December 5, 2026

Dates are subject to change. This schedule does not include additional NQ/travel tournaments or team-voted add-on tournaments — see the full 2026–2027 Team Pricing & Payment Plans section below for each team's complete tournament list.

How Travel Differs by Team Level

Team Level	Typical Schedule
MVC Select — 3s (Region Only)	The AZ Region Saturday tournament schedule above, plus Region Finals. No travel is expected; teams may vote to add an optional tournament (e.g., a trip to Las Vegas) at an additional fee.
MVC Premier — 2s (Nationals, Semi-Travel)	Full regional schedule plus a select number of USAV/AAU/JVA travel tournaments, working toward a Nationals appearance in summer 2027.
MVC Elite — 1s (Nationals, Full Travel)	Full regional schedule plus multiple USAV, AAU, and JVA travel tournaments across the country, competing year-round (August–July, break Feb–April) toward JVA Nationals and/or the USAV National Championships.

2026–2027 Team Pricing & Payment Plans

Every Momentum team has its own season cost, deposit, and payment schedule based on its travel level. Team placement is finalized after tryouts, but the breakdown below gives every family a clear picture of what to expect before Tryout Day. All figures below are per player.

A $20 tryout fee plus an initial deposit is due at Tryout Day (Saturday, August 15, 2026) for every team — cash, check (made out to Momentum Volleyball Club), or Zelle only. No credit card processing is available for the tryout fee or deposit. The full season amount may also be paid in full at tryouts.

Please note: the teams, levels, and rosters listed below are projections based on current registration interest. Final team counts and levels will be confirmed after tryouts based on actual registration and attendance, and all tournament schedules are subject to change.

How Payments Work

Momentum offers two ways to handle your season balance after the required tryout-day fee and deposit:

- **Pay in Full or Deposit at Tryout Day:** Cash, check (made out to Momentum Volleyball Club), or Zelle to info@momentumvb.com. No credit or debit cards are accepted at tryouts.
- **Monthly Payment Plan:** Any remaining balance is invoiced and paid through SnapSpend, our secure online payment portal, with payments due on the 1st of each month.
- **How SnapSpend Works:** Momentum creates each family's invoices after tryouts, only you have access to your own bank or card information. Log in anytime to view your balance, set up autopay, or make a payment manually each month; invoices, remaining balances, and receipts are all generated automatically, which also helps the club track payments accurately.
- **Payment Methods & Fees:** ACH (bank account) payments through SnapSpend are free. Debit and credit card payments include a SnapSpend service fee, charged at the time of payment.
- **Questions About Payments?** Contact a club director, email info@momentumvb.com, or call Greg and Glennda Freeman at (623) 349-1766 for questions about payment plans, due dates, or additional arrangements.

Checklist: What Parents Should Know Before Tryouts

- Confirm your son's correct age division using the official age chart (posted separately).
- Purchase or renew your USAV membership before attending any Open House/Evaluation Night.
- Attend an Open House/Evaluation Night for your player's age group — this is the last look before tryouts.
- Parents, Register and Attend a Club Information Night to get all your logistics questions answered.
- Register online for Tryout Day — required for every player.
- Returning Momentum players (Fall/Developmental/Summer Nationals): registration for tryouts is your only required step.
- Mark your calendar for Tryout Day: Saturday, August 15, 2026 at Haven Church Gym.
